

Ski MK Race Team

Our members are united by a passion to improve their technical ability and take part in Alpine Races.

ERSA

The Eastern Region Snowsports Association (ERSA) is a regional organisation whose emphasis is to encourage participation in Snow sports through fun and enjoyment. Organise regional race series.

Home Nations (HNGB)

Provide competitor membership.

EQUIPMENT

Ski MK favour slalom skis for training in Snozone and recommend the wearing of back protectors and shin guards. It is mandatory to wear a BS approved helmet.

ALPINE RACING

There are five key disciplines in competitive Alpine Ski Racing:

- Slalom (SL)
- Giant Slalom (GS)
- Super Giant Slalom (Super-G)
- Downhill
- Parallel (SL/GS)

Seeding

Competitors registered with their Home National Governing Body (HNGB) attain seed points in qualifying races.

The lowest seed points indicate the best level of performance.

These are BASS, iBARTS and oBARTS.

START

FIS

Racers age 16+ require a medical and licence to compete in Federation of International Skiing Races.

These races are subject to national quotas with priority given to racers with the lowest seed points.

Attendance at FIS races are booked direct with GBS.
