

About the club

Ski MK Race Team has been hosting training sessions at Snozone, Milton Keynes since the slope opened over 20 years ago.

The club's members range in age from 6 to over 60 and include visually impaired and disabled racers.

Members are united by a passion to improve their technical ability and take part in Alpine Races.

We train:

Tuesday, 6.30pm to 8.30pm

Sunday, 8am to 10am

Assessments
1st Sunday of every month
8am to 10am.

*subject to change

Training Costs

Our training sessions are around £10 per two hour session*. In addition, slope pass fees are paid direct to Snozone. These are based on their published rates and it can be of benefit to become a member of Snozone for preferential rates.

Outspan Rebels

Visually Impaired Ski Team

Outspan Rebels Visually Impaired Ski Team is a Satellite Club of SMK with the aim to help host training and race sessions at Snozone, Milton Keynes for all VI abilities from those new to racing to competitive VI athletes and guides.

For more information, contact us at:

membership@skimkraceteam.co.uk

Joining the club

Membership of the club is based on skiing ability and each potential member is required to undertake a technical assessment before joining.

The assessment gives racers a flavour of our training and what they can expect from our sessions.

Membership

Membership to the club runs from 1st November to 31st October, annually. Annual membership fees are around £55 per person*
